The Committee is solely and directly responsible for the appointment, retention, compensation, evaluation and termination of the public accounting firm engaged to prepare or issue an audit report on the financial statements of the Company or to perform other audit, review or attest services for the Company. The Committee will also be responsible for the preparation of the report that the Securities and Exchange Commission (the “*SEC*”) rules and regulations require to be included in the Company’s annual proxy statement.

In addition to the powers and responsibilities expressly delegated to the Committee in this charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s Bylaws (the “*Bylaws*”).

In addition, at least one member of the Committee must be an “audit committee financial expert,” as determined by the Board in accordance with SEC rules. No director is eligible to serve on the Committee if he or she serves on more than two other public companies’ audit committees.

This communication shall include private executive sessions (exclusive of management), at least annually, with the public accounting firm and the internal auditors.

### **Outside Advisors**

The Committee will have the authority to retain such outside counsel, accountants, experts and other advisors as it determines appropriate to assist it in the performance of its functions and will receive appropriate funding, as determined by the Committee, from the Company for payment of compensation to any such advisors and for the payment of ordinary administrative expenses that are necessary or appropriate in carrying out the Committee’s duties.
